WATER DISPENSER BOTTOM LOADING

WATER DISPENSER BOTTOM LOADING

MORE HEALTHY
with FRESH WATER

The advertisement features a Sharp SWD-78EHL-SL water dispenser. On the left, a lifestyle image shows a black outdoor table and chairs with green plants in the background. On the right, a product shot shows the dispenser against a dark background. The dispenser has a stainless steel cabinet, a control panel with an LCD display and buttons, and a bottom-loading door that is open, revealing a blue water bottle inside. The 'Low Wattage' logo is at the top right of the product shot.

SWD-78EHL-SL
WATER DISPENSER BOTTOM LOADING

- Stainless Steel Cabinet
- LCD Display
- Bottom loader
- Dual Wattage (185 W & 385 W)
- 3 tap button (faucets)

Filter Alkaline

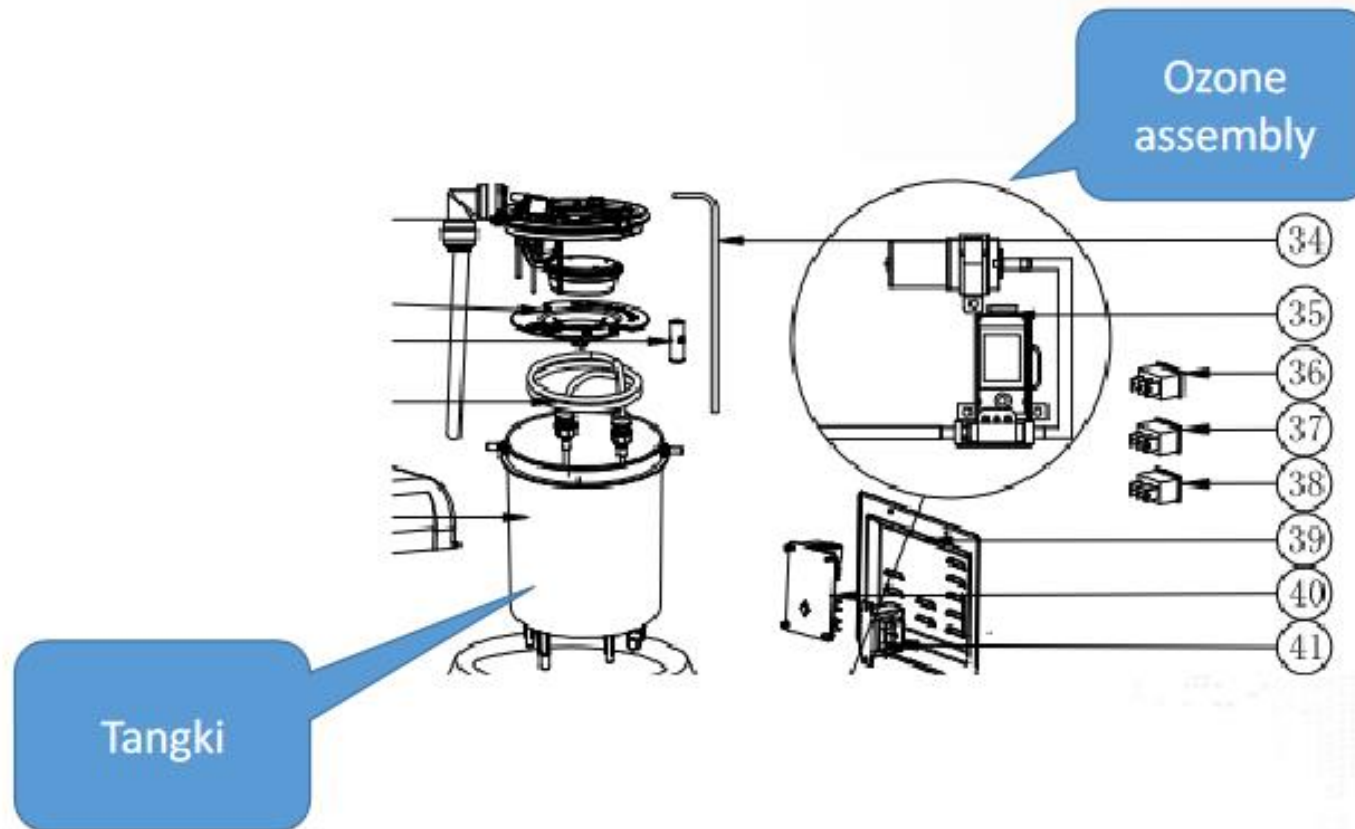

Filter change indicator filter sudah masa pakai 3 bulan dari waktu penggunaan atau 1000 liter galon air. Setelah mengganti saringan alkalin, tahan dua sensor, MODE + SET secara bersamaan selama 3 detik untuk mengatur ulang alat penghitung saringan lagi.

Self cleaning function

2024

Self Cleaning : Jumlah ozon yang terukur setiap 4 jam untuk menghilangkan pertumbuhan bakteri.

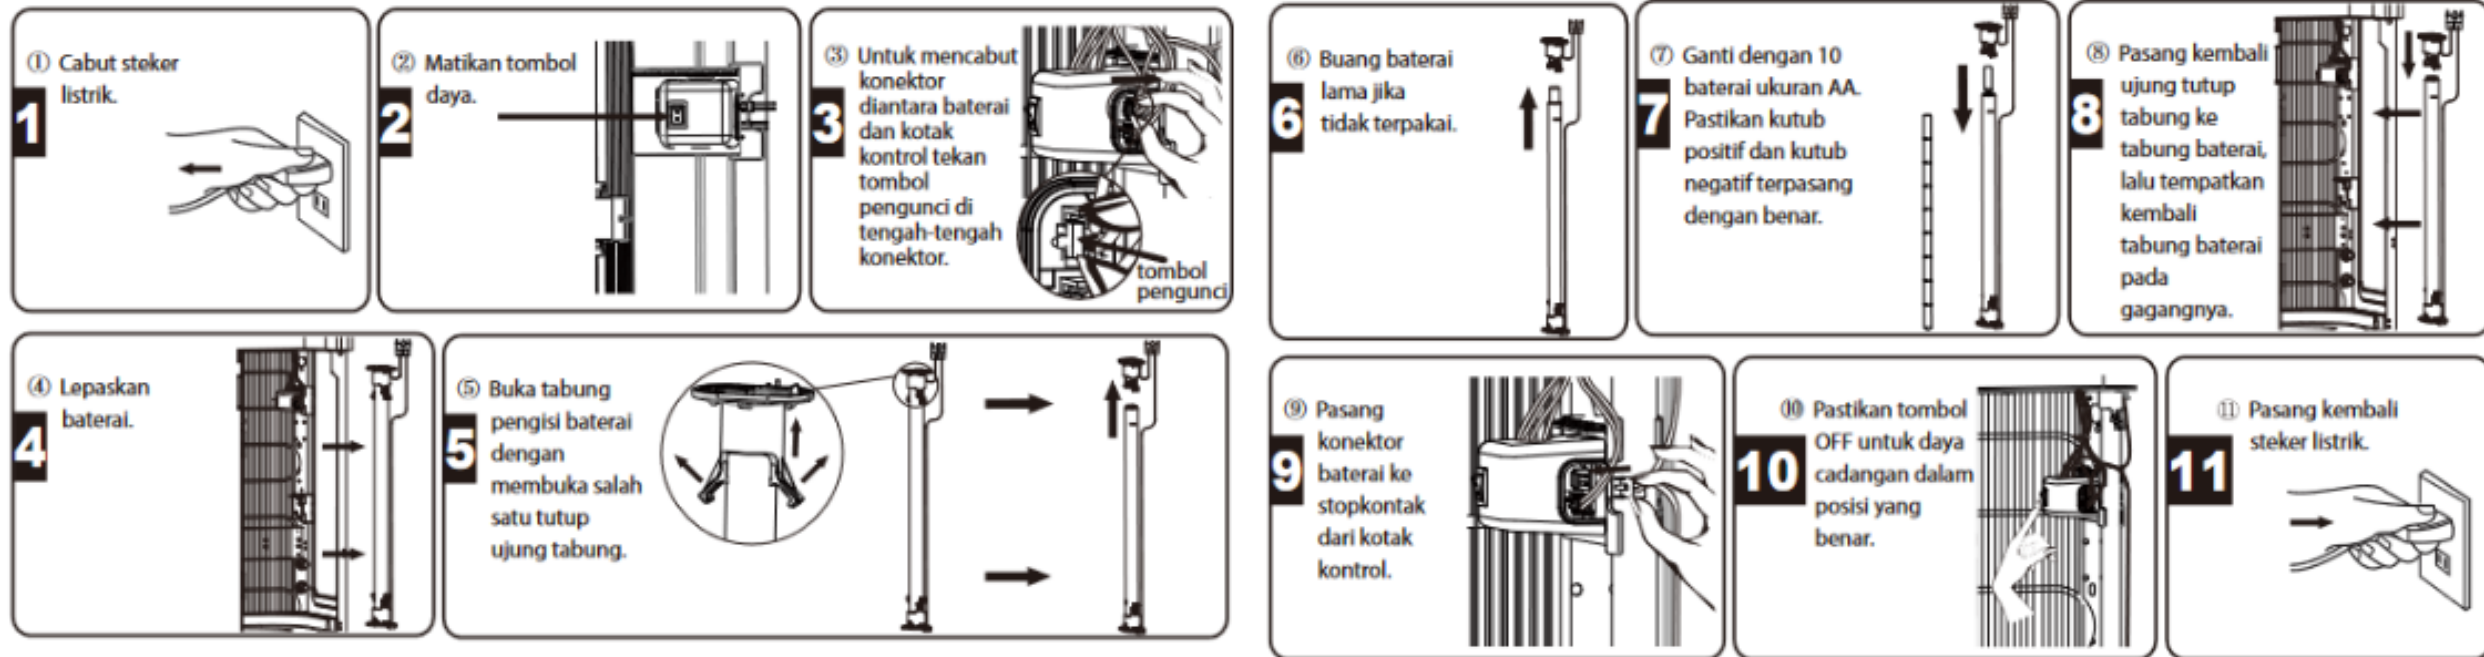

Cara Memasang Atau Mengganti Baterai

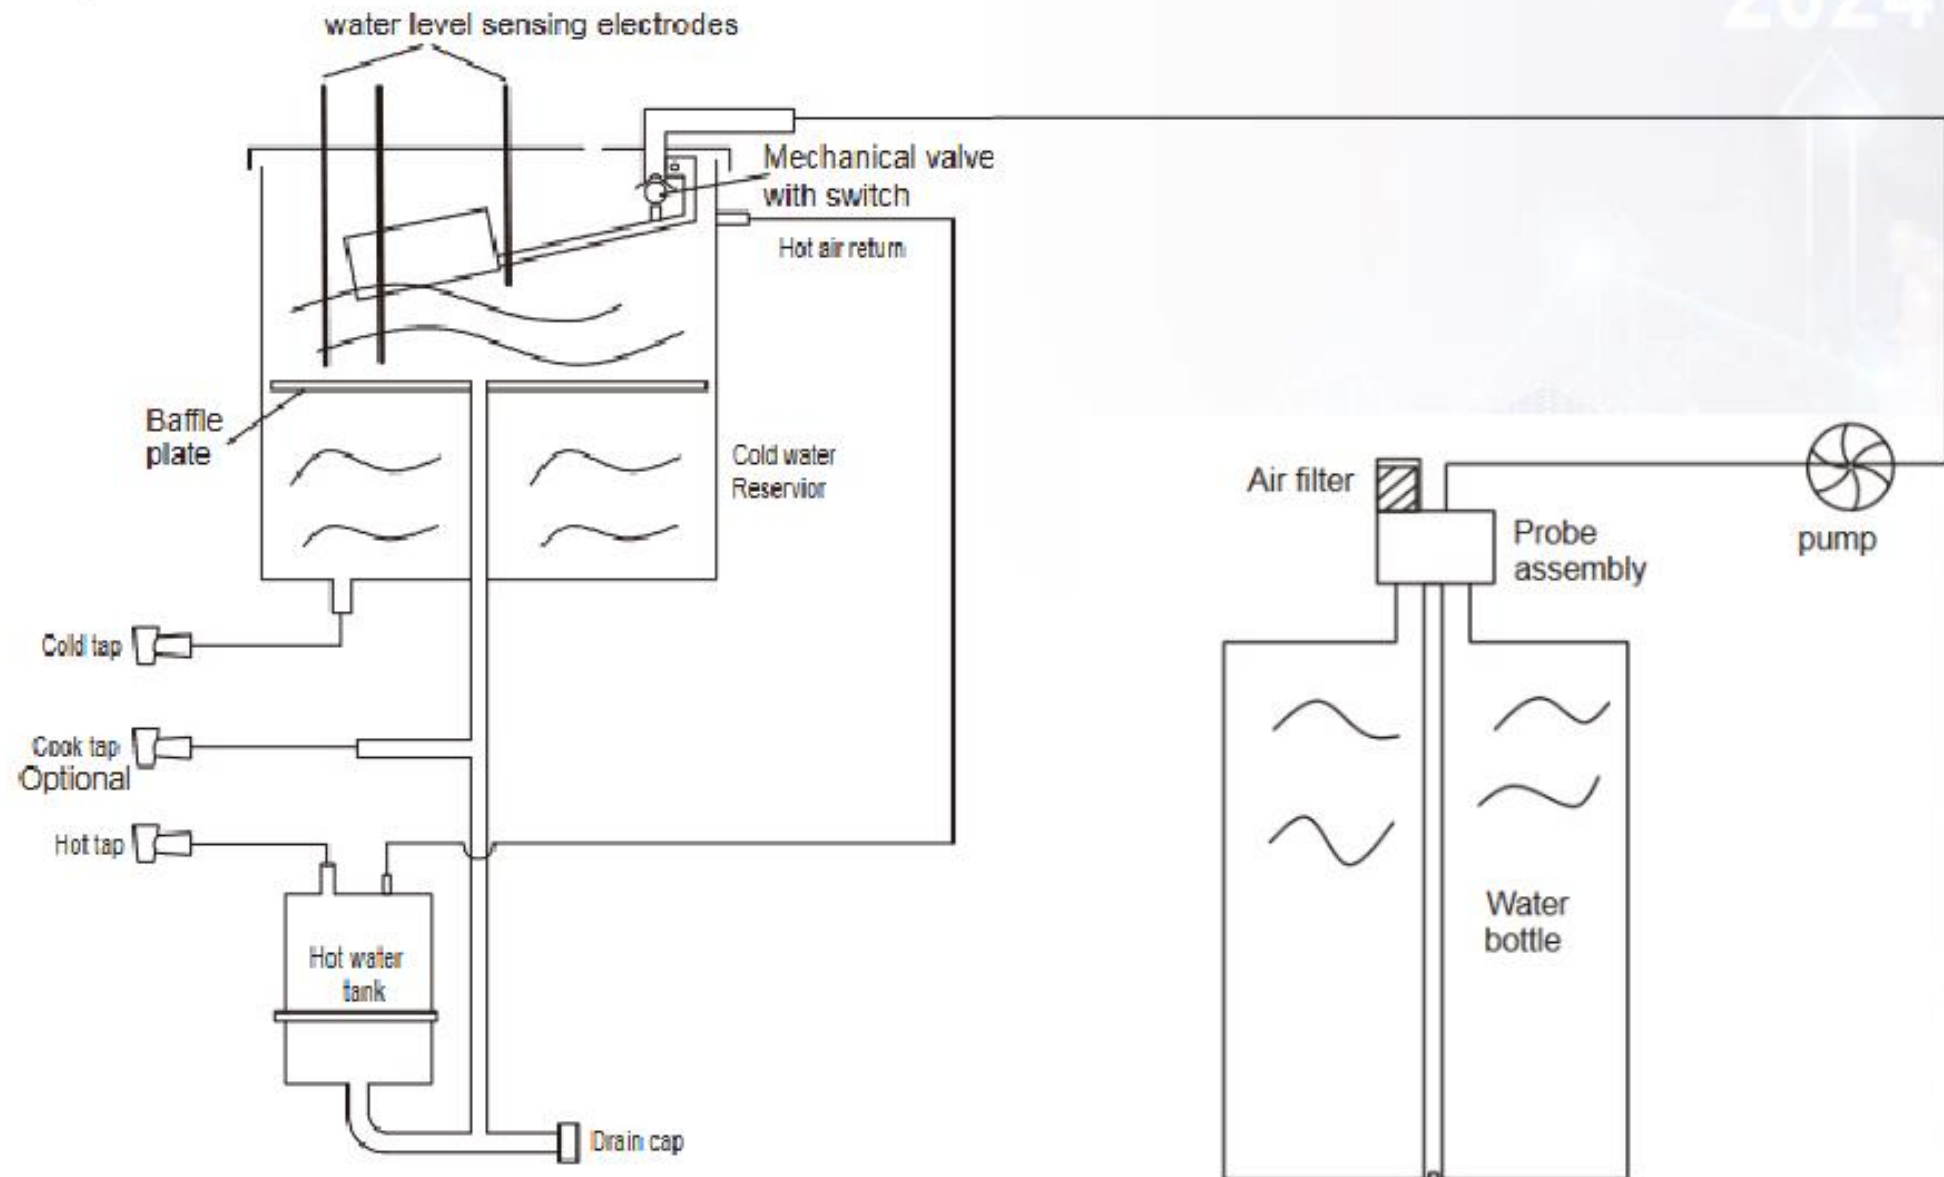

SWD-80EHL-BK

Ketika daya listrik mati, tekan saklar pada baterai.

- Tangki penampungan air telah kosong, saat pompa tidak bekerja atau kecepatannya berkurang, hal ini menunjukkan daya baterai habis dan segera untuk mengganti dengan baterai yang baru.
